

2020 Donor Transparency Report

In accordance with our Donor Transparency Policy, YES! publishes the names of donors and foundations who have supported us with total gifts of more than \$5,000 each year. While we encourage our donors to be transparent with their support, to protect the privacy and security of those who wish to remain anonymous, we do accept anonymous donations and honor wishes to remain anonymous in our public donor lists. On these lists, we disclose the number of anonymous donors.
